

Shakhrizoda Zayniddinova

Frontend Developer

Tashkent, Uzbekistan · +998 99 067 90 40 · shahrizodazayniddinova7@gmail.com

I am a passionate front-end developer with a strong interest in React, JavaScript and web development. I have experience working with APIs. I want to continue learning and expanding my knowledge of front-end technologies while contributing to impactful projects. You can see my projects at <https://shakhrizoda.vercel.app>.

Experience

Frontend Developer

Self-Employed, Tashkent, Uzbekistan

Jul 2023 - Present

- Developed personal and client-based projects, showcasing them on Portfolio Website.
- Built dynamic and interactive web applications using React, Redux Toolkit, and APIs.
- Created responsive and modern UIs using Tailwind CSS, Bootstrap, and Material-UI.
- Focused on integrating animations, forms, and charts for enhanced user experience.
- Explored server-side rendering and routing with Next.js.
- Implemented responsive web design principles to guarantee optimal viewing across various devices.
- Developed user-friendly website interfaces using HTML, CSS, and JavaScript for enhanced user experience.
- Utilised React framework to build dynamic and interactive web applications, improving site performance.
- Managed version control using Git, facilitating team collaboration and maintaining project history.
