## SUMMARY

Frontend Developer and Coding Mentor with hands-on experience in React.js and Next.js development and mentoring students in modern frontend technologies. Skilled in building responsive web applications, integrating REST APIs, and creating reusable UI components. Passionate about continuous learning, clean code, and helping others grow through practical programming experience.

## WORK EXPERIENCE

### Frontend Developer – Olov Admin Panel

Mar 2025 – July 2025

- Developed and maintained an admin panel using Next.js and Tailwind CSS.
- Integrated REST APIs to fetch and manage dynamic application data.
- Built interactive dashboard pages with data visualization.
- Implemented CRUD operations for managing application resources.
- Developed responsive and reusable UI components.
- Collaborated with the development team using Git/GitHub.

### Times IT School

Mar 2025 – Dec 2025

- Teaching Frontend Development (HTML, CSS, JavaScript)
- Explaining computer technology fundamentals
- Mentored beginner students in building their first web projects.

### Freelancer Frontend Developer

Jun 2025 – Dec 2025

- Built responsive websites using React.js and Next.js.
- Developed admin panel interfaces.
- Integrated REST APIs.
- Implemented reusable UI components.
- Fixed bugs and improved website performance.
- Converted Figma designs into responsive web pages.
- Optimized website performance and loading speed.

### PDP Junior

Dec 2025 – Jul 2026

- Taught HTML, CSS and JavaScript to students aged 16–17.
- Explained programming concepts through practical exercises.
- Guided students in building portfolio projects.
- Organized project presentation sessions where students demonstrated their own portfolio websites.
- Evaluated assignments and provided constructive feedback.
- Helped students improve problem-solving and presentation skills.

## LANGUAGE

Uzbek – Native

English – B1

Russian – A2

## EDUCATION

### PDP IT Academy

Frontend Development – Graduated 2024

## KEY SKILLS

•HTML5 •CSS3 •SCSS •Bootstrap •Tailwind •MaterialUI •ShadcnUI •JavaScript(ES6+)  
•React.js •React Query •Next.js •Chart.js •Webpack •Utility Libraries •Vite  
•State Management •OOP •REST API •Vitest •Git/Github •Postman

## PROJECTS

### Portfolio Website

- Built using React.js
- Responsive design for desktop and mobile
- Multi-language support (Uzbek, English, Russian)
- Clean and modern UI
